2) The Comptroller has on the whole reduced the receipts by Rs 85,100/ for which he has given detailed reasons

3) Similarly under Expenditure he has reduced the provision made by the Municipal Council by Rs 48,700/ and has issued orders of Government on the following unsanctioned items both under the Receipts and Expenditure side ———

Receipts

1) Assuming the anticipated collection of the Municipal taxes, at 70/, instead of at 80/, in view of the proposal to grant a comm. of 2% to the collection staff As a proposal to grant a Commission to the collection staff of by

Mysore City Municipality was vetoed by Govt. It is not likely that such a proposal would be sanctioned in respect of the Bangalore City Municipality. The percentage of collections during the last 3 years has varied from 55% to 65%. A collection of 80% or even 70% of the demand appears to be abnormal. It is for orders if the provision in the Budget, may be adopted at 65% of the demand

65% would be a fair Estimate under collection of taxes may be allowed

Agreed 21/1/11

II Motor and service Tax and Mileage cess

The Comptroller has allowed an additional provision of Rs 1,10,000/ and Rs 4900/ in accordance with the existing orders and this may be allowed to stand

Agreed

III Sale of Sites in Mysore Road Layout

The Comptroller has sought orders in regard to the anticipated income of Rs 6 lakhs, and the provision of Rs 3 lakhs, under the Receipts and Expenditure heads respectively

The formation of this Layout has not been sanctioned by the Government. The scheme may have to be entrusted to the Bangalore

IV Starting of a Municipal Dairy Farm

is under Examination in the A & I Branch

is provided on the Expenditure Side As the
Scheme, involving as it does a Variety of the

been Sanctioned, the provision may perhaps

Work awaits final orders of Govt

V Loan from Govt for the construction of
Bamboo Bazaar ~~from~~ Rs 4,00000/

The Govt Sanction to G.O No L 12074-8/ML 192-44-8
d 14-6-45, passing orders on the Recommendations
of the Special Committee constituted in
Connection with the Bamboo Bazaar Fire
Accident, is forthcoming

There is a provision of Rs 5 lakhs in the State
Budget for the grant of ~~loans~~ Loans to
Municipalities and Dist Boards Government-

have decided to grant a loan of about Rs 33 lakhs to the Mysore City Municipal. Separate orders may be issued in connection with the Water Supply improvement Schemes. The Financial Debt Head may perhaps be consulted. A note to this effect may be made in sanctioning the budget.

VI Recovery of Charges for construction of flush out latrines, together with the cost of cement —

A provision of Rs 1,25,000- is made on the Expenditure side under V, Debt Head"

As the Scheme has not been sanctioned and as Govt have called for information in regard to the Safeguards to be adopted to recover the advance amount from the parties, the provision made may be deleted for the present is for orders. The file is sent herewith

VII Water Supply Major works

A provision of Rs 25 lakhs has been made in the Municipal Budget. As the whole scheme is estimated to cost Rs 3,81,647 and as a moiety of the cost would be met by Govt the provision in the Municipal Budget

The amount provided may perhaps be limited to Rs 2 lakhs, instead of the Standard of 2½ lakhs

VIII Major city water works

A provision of Rs 12,47,500/ has been made (vide Appendix 'R')

4) Most of the works have not been sanctioned in the case of the proposed construction of the first floor to the city Market, for which a provision of Rs 65,000/ is made, the work has been ordered to be deferred for the present

may be deleted

5) It does not seem desirable to retain the provisions made under heads like, Remuneration to collection staff, entertainment allowance to the Municipal Advocate" Enhanced Lunch Charges to Municipal Councillors, etc" as shown on pages 4 and 5 of the Comptroller's Report — as they are not sanctioned by Govt and now are they urgent.

Govt orders on such officers may be awaited

6) According to standing orders, the closing balance may be only Rs 20,000/ The Municipal Coun

has a heavy opening balance of Rs 10,14,802/ as much money was not spent during last year, inspite of the necessary Budget provision and this sum is now available for expenditure

7) The City Municipal Council has raised a loan of Rs 20 lakhs, on Debentures from the Public (Bank of Mysore) and ~~[illegible]~~ ~~[illegible]~~ till now a sum of nearly 7 lakhs has been credited to the Sinking Fund formed for this loan and also invested by the Comptroller in approved Securities

8) The Special Officer deputed to examine the finances of the City Municipality has stated that the financial position of the Municipality is not satisfactory as the income of the Municipality is not sufficient to meet its growing expenditure, which has not been regulated with reference ~~to available~~ to available revenues after setting apart Capital receipts for capital expenditure, and as the Municipality has not got sufficient reserves to fall back upon in times of urgency. He has therefore suggested the cutting ~~the~~ down of the

Expenditure, especially under ~~Heads~~

Reorganisation of the several Departments of the Municipality. During the year 1944-45, the normal Expenditure was Rs 22,29,025/- against a normal Revenue of Rs 20,97,042/- resulting in a deficit of Rs 1,32,000/- as ~~stated~~ reported by the Special Audit Officer. He has therefore suggested that the normal Expenditure should be drastically cut down so that some surplus might be left over even in normal times, and that especially recurring items of Expenditure

mr 26/4/45 1) For orders

It is really a wartime Budget it provides for receipts & expenditure both much above normal. It is very likely that the income especially under items like octroi etc would show a considerable drop, owing to the fact that the war has come to a close.

1) Three months of the year are already over. We shall would not be in a position to incur expenditure of such a magnitude as Rs 63 64 633 during the year 1945-46

Bangalore City Ml Budget - 19

The Bangalore City M. Cl would generally grumble if the provisions made by them are either reduced or omitted. It may be desirable to discuss the question with the President of the Mcl & the M. Comr before finally adopting the figures.

COMPTROLLER'S REVIEW ON THE BUDGET ESTIMATES OF THE BANGALORE CITY MUNICIPALITY FOR THE YEAR - 1945-46

REVISED ESTIMATES FOR 1944-1945

Receipts

I The following modifications are proposed under certain main items of the Revised Estimate for 1944-45 based on the actuals for the first eleven months during the year and the anticipated realisations during the last month, as the monthly accounts for June 1945 were not available at the time of review

(1) A 1 Octroi Rs 7,50,000

The actual realisations have exceeded the anticipations by Rs 36,000 and hence the same is revised to Rs 7,86,000/-

(2) A3 Taxes on vehicles and Animals Rs 23,000

The realisation under this head is Rs 13,000 and the anticipated amount has, therefore, to be reduced by Rs 10,000/- As this represents the Government compensation for the half year ended 31st December 1944 which was not received as anticipated, therefore, the provision under the budget for 1945-46 is raised from Rs 23,500/- to Rs 34,000

(3) A4 Profession Tax Rs 30,000/-

The collections amount to Rs 25,000 and hence the anticipated amount is reduced by Rs 5,000/-

(4) B3 Motor Service Tax Rs 1,10,000/-

No share in the amounts realised from 1940-41 to 1943-44 was received from Government, during the current year hence deleted As the matter was reported to Government by the Municipality and the District Magistrate was instructed by Govt to expedite action in this behalf, the budget Estimate for 1945-46 is raised from Rs 30,000 to Rs 1,40,000/-

(5) B4 Milea e Cess Rs 13,000/-

The sum of Rs 4,900/- for 3 quarters from April 1944 to March 1945 was not received from Government as anticipated and so Rs 8,100 is retained in the revised estimate and the estimate for 1945-46 raised from Rs 5,000 to Rs 9,900/-

(6) B6 Excise Surcharge Fees Rs 24,800/-

The surcharge fees received from Government amount to - Rs 35,500 as against Rs 24,800 anticipated and the former figure is adopted

(7) C1 Rent of Buildings etc., Rs 28,000/-

The anticipated revenue under this head is reduced to Rs 26,000 based on the actual realisations

(8) C6 Excess Water Charges Rs 2,10,000/=-

The actual realisations through the Water Supply Dept amount to Rs 2,77,000 and the same is adopted

Expenditure.-

II As no appreciable variation is observed under any of the items of expenditure excepting the one noted in the margin, modifications are suggested only to that extent in the Revised - Estimate for 1944-45

Budget Estimates for 1945-46

IV	Receipts		As provided Rs	As modified Rs
(1)	A2	Taxes on Buildings and Lands	3,36,000	2,94,000
	A6	Water tax	3,02,400	2,64,600
	A7	Lighting Tax	51,200	44,800
	A8	Sanitary Tax	1,34,400	1,17,600
			8,24,000	7,21,000

Consequent on the general revision of assessment on buildings and lands an increase of Rs 61,000 is anticipated in the demand for the year 1945-46 The Municipal Council expects a revenue of Rs 8,40,000 against a demand of - Rs 10,50,000 which works out to 80% of the demand The percentage of collections during the past three years has been ranging from 55% to 65% A collection of 80% of the Demand during 1945-46 appears abnormal However in view of the proposal to sanction a commission of 1 to 2% on the collection of arrears to the collection staff as an incentive for good work, the provision in budget under the above heads may be adopted at 70% instead of 80% of the Demand Accordingly the modified figures are noted in the margin above

(2) A3 Taxes on vehicles and animals - Rs 23,500/-

The anticipation under this item is enhanced to Rs 34,000 for reasons stated in the note under Revised Estimate for - 1944-45

(3) A4 Profession tax - Rs 32,000/-

The anticipation under this head is reduced to Rs 27,000 ie , the same figure as that in the sanctioned budget estimate for 1944-45 in view of the fact that no special reason is stated for anticipating an increased revenue

(4) B3 - Motor Service Tax Rs 30,000

B4 Mileage cess - 5,000

The former is enhanced to Rs 1,40,000 and the latter to Rs 9,900 for reasons stated in the note for Revised Estimate for 1944-45

(5) C1 - Rents of buildings and lands etc , - Rs 29,000

The anticipated amount is reduced to Rs 26,000 as no reason is furnished to warrant an increased revenue

(6) C2(d) Sale of sites in the Mysore Road layout - Rs 6,00,000

The revenue anticipated is a special item of receipt introduced by the Council in the Budget Estimate The scheme is based on the layout plan furnished by the Government Architect and further details worked out are before the Council A provision of Rs 3 lakhs is provided under Expenditure (Vide D1 (b) Layouts and Roads the new Extensions) for forming sites The scheme involves an ~~xxxxxx~~ intitial expenditure of Rs 3 lakhs from the funds of the Municipality before any realisations could be anticipated Whether the anticipated income of Rs 6 lakhs and the provision of Rs 3 lakhs have to be retained in the Receipts and expenditure respectively of the Budget Estimates for 1945-46 is a matter for consideration of Government Also of the scheme is possible of being worked ~~within the close of being worked~~ within the close of the official year so as to yield an income of 6 lakhs has also to be considered Otherwise provision has to be made to work it out in stages in consultation with the C I. Trust Board

(7) C Swimming Pool Collections Rs 4,500/-

The anticipated revenue is reduced to Rs 3,000 as necessary sanction of Government to the revised rate to be levied has not been obtained and also it is seen that collections from 1-7-45 are being made at the rates current during 1944-45

(8) C7(a) Rents of shops in the General Vegetable market Rs 120000/-

The anticipated revenue under this head is reduced to Rs 80,000 based on the actual collection during 1944-45, as the necessary orders of Government to exempt all Municipal property from the operation of House Rent control order proposed by the Managing Committee has not yet been obtained

(9) C7(a) (2) Gate fees and ground rent of General Vegetable Market Rs 60,000/-

The anticipation under this item is also reduced to Rs 37000 for reasons stated in the previous para

(10) C13 Land Revenue from sewage of Chamarajpet Farm Rs 18000/-

A revenue of Rs 18000 is anticipated under this item There

There is a provision of Rs 15,000 on the expenditure side under 'E 11 Sewage Farm Maintenance and Establishment' thus resulting in a net anticipated revenue of Rs 3,000 The farm was being leased out annually for Rs 2,600/- It is ascertained that a detailed scheme has to be worked out departmentally or to be leased out is under submission to Government Whether the scheme is a point for consideration of Government The provisions made both under Receipts and Expenditure are retained pending orders

(11) D (b) Water Supply Grant Rs 30,000/-

The state Budget for 1945-46 does not contain any provision for the grant anticipated by the Municipality under this head and hence deleted

(12) D(b) For Drainage purposes Rs 1,60,000

The provision in the State Budget for 1945-46 is Rs 1,55,000 and hence the anticipated amount of Grant from Government is reduced by Rs 5,000

There is no provision made for this item in the State Budget for 1945-46 The council have approved a scheme estimated to cost Rs 3 lakhs and it is stated to have been submitted to Government requesting for a grant of one and a half lakhs In anticipation of sanction of the grant, the Council have introduced the item in the Budget A sum of Rs 3 lakhs is provided on the Expenditure side under 'H - Miscellaneous - E other items - Municipal Dairy Farm' Whether to retain the items in the Budget Estimates or not is a point for consideration of Government and orders

(14) F2 (d) Loan from Government for the construction of Bamboo Bazaar Rs 4,00,000

There is a provision of Rs 5,00,000/- in the state Budget for the grant of loans to Municipal and District Boards This is retained in view of that provision and para 4 of G O No L 12074-8/ M 1 192-44-8 dated 14-6-45

(15) F4 Recovery of charges for construction of Flush out latrines together with the cost of Cement Rs 1,25,000/-

It is the proposal of the Municipal Council to construct flush laterines or to supply the necessary parts and other materials to those residents of the City who do not construct flush out laterines

laterins with in a specified period, after the issue of a notice, and to recover the cost thereof from such residents ith this view a provision of Rs 1,25,000 is made on the Expenditure side under the head ' ~~Interest on~~ Public Debt - Charge of flush out laterines including the cost of Cement' But this proposal is not supported by any orders of Government Whether it is necessary that the Municipality should undertake to do the Construction or to supply the necessary materials is a point for consideration of Government, as also the retension or otherwise of these items in the Budget Estimates for 1945-46

V Expenditure

(1) C City Improvement grants underground drainage works Rs 320000

The expenditure under the several heads should be restricted to

provisions made in the Budget. The additional and enhanced provisic made under certain heads should be utilised after satisfying that the realisations under the revenue heads comdup to the Budget anticipations.

Sanction of Government in respect of lumpsum provision should be obtained before the expenditure is actually incurred.

The financial position of the Municipality as a result of the above modifications would be as follows -

OPENING BALANCE	...		10,14,803
Receipts -			
Normal	Rs 22,97,458		
Special	Rs 9,90,000		
Total	Rs 32,87,458		32,87,458
		Total	43,02,260
Expenditure -			
Normal	Rs 22,17,617		
Special	Rs 18,77,000		
Total	Rs 40,94,617		40,94,617
		CLOSING BALANCE	2,07,643

According to the above figures, the normal expenditure is within the normal income. The closing balance is above the prescribed minimum.

According to the statement D showing the Demand, Collection and Balance of Municipal Taxes, it is seen that a sum of Rs 4,00,000/- is outstanding as arrears to be collected. This is very heavy and strenuou efforts should be made to recover the same during the year.

The expenditure under the service head is far in excess of the incom and the Municipal Council should explore ways and means to augment their Resources.

For Additional Secretary to Government.

To - The Municipal Commissioner, Bangalore City (through the President)
The Comptroller to Government, Bangalore.
